*CNTA is an Aiken-based charitable educational organization dedicated to providing factual information about nuclear topics and educating the public on nuclear issues.*

## SUPPORTING LOCAL EDUCATORS

One of the main ways CNTA helps the community is through events that give training and materials to educators in the Southeast.

*Citizens for Nuclear Technology Awareness, Inc.*, is an educational and advocacy group promoting the safe and effective use of nuclear power, nuclear research and nuclear medicine.

**We provide education, networking, and a voice of understanding from a technical perspective in a world often influenced by *inaccurate information and unwarranted fear.***
