

**16th Annual CNTA High
School Essay Contest**

Open to:

High School Juniors & Seniors

Aiken, Allendale, Barnwell, Burke, Columbia and Richmond County schools, homeschools, and children of CNTA Members regardless of school district.

Write a 1,500 word essay on one of the following:

- Discuss the use of nuclear technology in space exploration (past, present, and future).
- This past year has seen much progress toward sustained fusion power ... discuss the progress and remaining roadblocks.
- Discuss the importance of isotopes in today's medicine and the U.S. dependence on foreign supply.
- Discuss how electricity generated from nuclear power versus fossil fuels can impact global warming.

Deadline: February 28, 2022

Details and Entry form at: <https://cntaware.org/high-school-essay-contest/>

For more information email: cnta@bellsouth.net

**Top entries will win \$1,000 each. Up to 5 "second place awards" of \$500 will also be distributed.*

SUPPORTING LOCAL EDUCATORS

One of the main ways CNTA helps the community is through events that give training and materials to educators in the Southeast.

Citizens for Nuclear Technology Awareness, Inc., is an educational and advocacy group promoting the safe and effective use of nuclear power, nuclear research and nuclear medicine.

We provide education, networking, and a voice of understanding from a technical perspective in a world often influenced by *inaccurate information and unwarranted fear.*

THE VOICE OF TRUTH ON NUCLEAR MATTERS

Nuclear Science Week 2018
October 15-19, 2018

CNTA
Citizens for Nuclear Technology Awareness

An advertising partnership publication between CNTA and the **Aiken Standard**
