

ATC CELEBRATES NUCLEAR SCIENCE WEEK

Monday, October 17th

SRS Tour

1:00 p.m. to 4:30 p.m.

Fifteen ATC students and staff will take a bus tour of the Savannah River Site.

Tuesday, October 18th

SRS History Presentation

11:30 a.m. - Community Room/Room 1300 (Health Sciences Building)

A guest lecture from the SRS Museum will discuss the historical and economic impacts of the Savannah River Site to our region.

Event open to all ATC Students and Staff
Lunch will be served to the first 30 attendees.

Wednesday, October 19th

Technical Education Open House

6:00 p.m. - Room 1717 (Center for Energy & Advanced Manufacturing Building)

This is an open house information session to learn about ATC's nuclear and technical education programs, tour facilities, and discover funding opportunities available, including the WORC scholarship.

This event is open to the general public and ATC students.
